Booth services

For Exhibitors · https://www.ipem-market.com/help/ipem-wealth/services-on-booth-2/

Refreshments:

Each exhibitor will have upon arrival on their booth:

- 1 bottle of natural water
- 1 bottle of sparkling water
- 20 paper cups

Exhibitors may add additional beverages & catering directly with our official providers.

WIFI connection:

The entire hall is connected to Wifi. Wifi passwords are personal and will be indicated on each pass.

The Wifi code can connect up to **3 devices during the 3 days** and the internet speed is **limited to 2Mb/s**

For a higher internet speed or a wired connection, contact our provider **VIAPASS**:

Cleaning:

Your booth will be cleaned every night.

There is also a daytime cleaning for collecting waste from the reception desk bins; if needed go to the Info Point in order to request an additional cleaning service. You must submit the request at the Info Point on your floor.

If you organize a cocktail event at your booth, the caterer is responsible for collecting and removing their own waste and used tableware.
