SPECIAL WEBCAST, MAY 20th / 4PM LONDON TIME (GMT+1)

The roadmap to Covid-19 recovery

SPEAKER :

Nicholas Brooks,
Head of Economic & Investment Research
ICG

Nicholas Brooks is Head of Economic and Investment Research at Intermediate Capital Group where he is responsible for formulating ICG's top-down macro and market views. He has over 20 years of investment experience as a global economist and strategist covering a wide range of markets, asset classes, and geographies. Prior to joining ICG, he spent over seven years at ETF Securities as Head of Research and Investment Strategy where he built and managed the institutional research team.

Moderated by Talya Misiri, Editor at Real Deals
and Antoine Colson, CEO at IPEM

ABOUT THIS WEBCAST :

In such unprecedented times as this, it is crucial to take both a macro and micro view of the impact of the crisis and plot potential recovery.

The webinar will take place at 4pm BST and will feature a research-based presentation by ICG Head of Economic and Investment Research, Nicholas Brooks, followed by a Q&A.

The presentation will focus on:

- Dissecting the impact of Covid-19 by sector and considering stressed vs more resilient industries.
- The Asian framework and fiscal responses in Europe.
- Potential recovery scenarios.
- The investment environment post-pandemic.
