# IPEM INFRASTRUCTURE SUMMIT

30 Jan. 2020, 9:15 to 11:15 @IPEM 2020 (Cannes, Palais des Festivals)

## PRESENTATION

IPEM Infrastructure Summit highlights the steady and growing interest of asset owners for the asset class. As the infra world is maturing and raising ever larger amounts, it is also evolving quickly – often far from its legacy « core-infrastructure » approach. Infrastructure investing is also in the center of important shaping trends : macro-economics and monetary policies, ESG and sustainability, public acceptance of finance and large projects... Come and join the vivid infra community of IPEM 2020 ! This summit was put together with the support of Orrick and Conquest.
