# SECONDARIES Summit

PRELIMINARY AGENDA: January 25th, 2023, 11:30 AM to 1:30 PM

11:30 AM **Overview of market trends**

11:40 AM **GP-led Market Updates**

Continuation funds have grown substantially in recent years and the subject of hot debate among Investors. This session will consider their relative value, including how to handle potential conflicts of interest. Valuation issues versus standard exits. Is a single asset restructuring a co-investment with a fee?

12:20 PM **What is driving a resurgence of LP-stakes**

This session will look at the persistence of LP stakes within the secondary market. Referencing trends from 2022, the panelists will give their outlook on what lies in store, including:

- What are the expectations for 2023 activity?
- Which portfolios may be most likely to come to market?
- As the market has matured, what should LPs pay attention to?
